

## Banksman (Vehicle Reversing) Safety Awareness Training

**Duration:**

Half day (3.5 hours of Driver CPC module available)

**Group Size:**

Maximum 12 delegates

**Who should attend:**

All persons whose employment duties includes the managing and coordinating the movements of vehicles in either a yard or site environment, specifically when reversing of vehicles is required.

All learners must be physically fit and mentally mature.

The course will give individuals the knowledge of how to direct vehicle movements in compliance with their Company instructions and health & safety policy. The course enables delegates to be able to provide directions to drivers using hand/arm signals and raises awareness of the safety factors connected with vehicle movements in the workplace.

**Course Objectives:**

Upon completion of the course the candidate will understand and be able to demonstrate:

- The Responsibility of a Banksman
- Workplace Transport Safety Policy
- Pre-planning the reversing maneuver THINK!
- Importance of Communication
- Using arm/hand signals to direct drivers

**Certification:**

All learners will undertake a multi-choice questions paper which requires an 80% pass mark. A practical assessment will also be undertaken, upon being successful candidates will then be issued with a card.
