

National Highways Sector Scheme Training 12AB Impact Protect Vehicle (IPV) Driver

Duration:

One Day.

Group Size:

Maximum 4 delegates

Approved

Who Should Attend?

All persons who will be required by their employer to work on high speed roads, running mobile hard shoulder (or non-live lane) operations using an IPV and for protecting and installing static temporary traffic management.

Course Aims:

To provide candidates with the necessary knowledge to assist and become fully competent when driving an IPV

Course Objectives:

- Be aware of the Sector Scheme Document.
- Be aware of the relevant Health and Safety legislation and understand their obligations.
- Understand the importance of risk assessments and method statements for traffic management activities.
- Be aware of the reference documentation used for traffic management.
- Know the requirements for an Impact Protection Vehicle as described in the relevant reference documents.
- Be able to conduct pre-works checks on an Impact Protection Vehicle.
- Understand the procedures used for protecting the installation of a static temporary traffic management taper.
- Understand the procedures used for protecting mobile hard shoulder operations.
- Understand the extent of their duties after achieving this qualification.
- Understand the different types of work that are beyond the scope of this qualification and require full Mobile Lane Closure techniques to be implemented.
- Demonstrate that they have sufficient underpinning knowledge required to be an IPV driver.
- Prepare an IPV ready for working on the hard shoulder.
- Arrive on site and set up the operation correctly.
- Operate to safe working procedures including hazard and junction negotiation.
- Remove the operation correctly.

Certification:

Completion of the award will consist of a successful on-site assessment and scoring a minimum of 75% in the end of course multiple choice test. Successful candidates will receive endorsement on their 12AB card once application to Lantra Awards has been made. **NB: Qualified 12C Supervisors do not have to attend the IPV course as this is covered by their 12C Supervisor status.**

NB: All candidates MUST hold a valid LGV Class 2 license and be able to produce a copy before attending the course.
