

National Highways Sector Scheme Training 12D Module 6 RLTMO Registered Traffic Management Operative

Duration:

Two Days.

Group Size:

Maximum 6 delegates.

Approved

Who Should Attend?

All Registered Traffic Management Operatives (RTMO) as described in Sector Scheme Document 12D who wish to become a Registered Lead Traffic Management Operative (RLTMO).

Course Aims:

To provide delegates with the necessary underpinning technical knowledge and skill to supervise a gang or gangs (as appropriate).

Course Objectives:

On completion of the session delegates will: -

- Have a working knowledge of National Highway Sector Schemes.
- Realise the importance and relevance of health & safety at work.
- Have a working knowledge of the relevant codes of practice and other associated documentation when involved in traffic management.
- Provide evidence that they understand the differences between Chapter and the Safety at Street Works and Road Works (red book) and how these apply.
- Understand the risk assessment process and be able to carry out risk assessments & method statements on works involving traffic management.
- Be able to demonstrate their knowledge of their Supervisory responsible the highway
- Be able to monitor site and recommend action as condition change.
- Be able ascertain when management intervention is required.

Certification:

On completion all delegates will be required to undertake an examination consisting two test papers, which carries a 75% pass mark. Lantra Awards will issue a card to successful candidates. Refresher training is required every 5 years to keep your card valid.
